

## Creative E-Learning for Adult Services and Healthcare

## Our Adults Services and Healthcare E-Learning Courses provide an engaging way to:

- Reach the large number of practitioners who need training
- Act as a pre-learner to, reminder or refresher of face to face training
- Provide interactive individual, group, or team learning
- Use as individual programmes or to complement each other

Kwango delivers high quality e-learning to help local authorities, trusts and agencies achieve greater efficiency and cost effectiveness.

## What do our customers say about our e-learning?

“Kwango is providing Gloucestershire with an innovative and cost-effective solution to the challenges faced by all local authorities. We use them as pre-learning, refresher and awareness raising for 000’s of learners across all our partner agencies.” Gloucestershire

“Self Directed Support and Direct Payments are excellent. We are immensely impressed by the quality, the thoroughness of the content and the way the programmes can be tailored for our authority. It will be very good training for our staff and the PVI sector and we will use it in supervision too.” Plymouth

“We really like your E-Learning, the principles re. Accessibility and Availability on which you base the programmes and the fact you can customise them to meet local practice and training needs. They offer really good awareness training.” Kirklees

“The MCA, Safeguarding and Dementia E-Learning are fantastic!”

Doncaster & Bassetlaw NHS Foundation Trust

“Kwango’s approach is one of partnership, putting the customer’s needs at the heart of negotiations.”  
Manchester

“We are very pleased to order your MCA E-Learning for our Trust and would be happy to give a reference to any other authority about the quality of your programmes and service.”

Southport and Ormskirk NHS Trust
